

Declaration of No Confidence

The Statements contained herein are not Claims.

The Statements contained herein are Facts.

Date : February 25, [2023]

We, the WoMen and Men gathered here on this Day, Saturday February 25th, [2023] have come together to Co-Create a Lawful & Just Society based on absolute Truth, Honesty and the Conscious Morals of HuManity.

We recognize Natural-Divine **L.A.W.** to be the SUPREME-Sovereign Law that Guides the Heart of HuManity. Utilizing Natural & Private Law derived directly from The Living Creator Hu (Spirit) and the 2nd Edition of the Black's Law Dictionary, we are establishing a FULLY Transparent Society open to ALL fellow WoMen and Men to join by way of their own FREE WILL, Declaration, AFFIRMATION and Agreement.

Declaration of No Confidence :

We are Lawfully, and LEGALLY, declaring no confidence in the "government" Known as the Crown CORPORATION of CANADA, the WoMen and Men (PERSONS) working as "Employees" for, those acting as agents of, or that of the British Monarchy and "king" of whom THEY serve.

Crown CORPORATIONS of the Federal and Provincial levels are "owned" by the "Crown" Known as the British Monarchy, as the institution's sole "legal" shareholder. This follows the unLawful legal premise that the British Monarchy owns all Federal and Provincial Property (Tax Funded "Public" Buildings and Businesses) including the Land, Air and Water (Nature).

The "government" Known as the Crown Corporation of CANADA, including governments around the world, have been placing the interests of CORPORATE Commerce (Financial Profits) and the advancement of artificial Intelligence ahead of the best interests of HuManity.

Governmental " Financial Profits " are gained by taking over 50% of the "income" WoMen and Men earn from their "Employment" as a "Tax" and primarily use it to fund Technological advancements that are severely harming HuManity and all other Living Life on Earth.

The artificial Intelligence Military organization **D.A.R.P.A**, The **Defence Advanced Research Projects Agency**, has created a “universal vaccine”, or Gene Editing Therapeutic, containing mRNA and CrispR Technologies Known as NanoLipid Particles. **D.A.R.P.A** describes two (2) of the capabilities of this Technology to be mind control and extinction on demand.

Ingredients for the mRNA and CrispR Technologies are not being released to the General Public but it is Known that Graphene Hydroxide, which is a Super Conductor of Electricity and highly Toxic Carcinogen, is being used in the injections.

These “vaccine”, Gene Editing Therapeutics, created by artificial Intelligence are killing and maiming WoMen, Men and Children around the world in massive numbers in the millions. There are over Thirty-Two Thousand (32,000) extremely serious “adverse reactions”, of which the most concerning is DEATH. This is a major **Crime Against HuManity (C.A.H.)** which can only be defined and described as Genocide.

Doctors, Nurses and those working in the Medical industry are either being censored, silenced or outright fired if they attempt to speak out about the harm that is caused from the injections. Those who are aware of the harm and refuse to speak out are being complacent, allowing the harm to continue in fear they may lose their job and Financial “income” for speaking out.

Despite the major hazards and threat to all Life on Earth, wireless devices and massive Cell Towers that produce **Artificial ElectroMagnetic Frequencies (A.E.M.F's)** are being installed in Cities and Towns all over the world, close to Homes and Public Buildings. This dangerous Technology emits ionizing and “Non-ionizing” Radiation that slowly degrades the **Living Cells and DNA of Plants, Animals and HuMans**.

The wireless devices that have been installed emit Frequencies ranging from 3 Ghz to 300 Ghz which is Thirty-Thousand times (30,000 X) more powerful than anything previously installed before.

In addition, **A.E.M.F's** can and are being used as a stealth weapon to “control ” Animal and HuMan behavior and manipulate matter. It is suspected that the Graphene Hydroxide and other heavy metals is used in the “vaccines” as a means for artificial Intelligence to control Animals and HuMans at the Cellular Level through extreme “wireless” Frequencies.

Aerial spraying of heavy metals, such as Silver iodide, and other highly toxic chemicals like glyphosate, another well Known carcinogen, are allowed to be sprayed all across the sky where it eventually falls back to the Earth seeping into the soil and waterways. This harmful spraying depletes the **Land of Essential Life** supporting Nutrients and destroys ecosystems.

The Public Education System is placing Children as young as 5 years of Age in-front of Google ChromeBooks and Laptops where they are being recorded by artificial Intelligence audio and facial recognition software programs that “rates and values” the Children. The Children are subject to the **Laws of “FOREIGN JURISDICTIONS”**, one of which is the **Chinese Communist Party (C.C.P.)** and government “Employees” are refusing to provide the FULL legal definition of the **Laws** they are subjecting Children to.

Explicit Sexual Propaganda with books detailing and telling stories of pedophilia, incest and other extreme Sexual Acts is being introduced in our Public Schools and presented to Children as young as 5 years of Age. These books contain highly detailed and extremely graphic images.

Children are being questioned about their **SEXUAL IDENTITY** and **SEXUAL PREFERENCES** then encouraged by government “Employees” and agents of to take Puberty Blockers and mutilate their bodies by cutting off their genitalia. This is being done to turn Children “**TransSEXUAL**”.

Employees of C.U.P.E., the **Canadian Union of Public Employees** along with Employees of, UNIFOR, **P.S.A.C**, the **Public Service Agency of Canada** and the **Communist Party of CANADA (C.P.C)**, marched together in protest against the 2022 Trucker Convoy, including the entire General Public of whom they supposedly serve, waving their Union Flags alongside hammer and sickle Flags chanting and calling for the “gassing (DEATH) of the unvaccinated.”

Employees working in the Public Education System who do attempt to speak out about any of these serious issues have their voices immediately silenced and they are threatened with termination without pay. Those who do speak out are fired without Notice and without cause.

Artificial Intelligence is being allowed to make decisions on behalf of HuManity and has been rewriting Man-made Laws to fulfill its own agenda. The WoMen and Men “Employed” by and working for government as agents of are ignorantly going along with this and willfully FORCING a.l’s UnLawful policies, mandates, restrictions and rules upon the General Public of whom “they” (government “Employees” and agents of) are claiming to serve, demanding that the General Public inject themselves with **D.A.R.P.A**’s artificial Intelligence “Technologies”.

An artificial Intelligence System Known as “Aladdin” has been buying all Publicly and Privately owned Properties and Lands. As of 2020, Aladdin acquired \$21.6 Trillion in “assets”. This program is evolving and set to take over every Publicly and Privately owned asset Known to Mankind if it’s allowed to continue.

We now have governments attempting to introduce a “Digital identification” system and “15 Minute **S.M.A.R.T** Cities”, an acronym for “**S**urveillance, **M**onitoring, **A**pprehending, **R**egistering, **T**rafficking “. This is the introduction of the artificial Intelligence Social Credit Scoring system, an a.l system that has already been fully implemented in China. If this system is allowed to be FORCED upon us all, it would give total Control of all of HuManity to artificial Intelligence.

A part of this “Social Credit Scoring” system is to implement a Digital Currency which can be used to cut off the Finances of anyone who does not comply with the artificial Intelligence, “Technologies” and “Systems”. Fintrac is the Monitoring system that has been set-up for Social Credit Scoring in CANADA. This system has access to all Public and Private Bank Accounts and it has already been used against those who took part in, and supported, the 2022 Trucker Convoy by shutting down their accounts and denying them access to their own Private Finances. Millions of dollars in Private Funds were stolen by government agents and never returned.

The WoMen and Men who are pretending to serve HuManity as a government “Employee” or agent of are slandering, mocking, belittling and treating those who speak out about the harm that is being caused by artificial Intelligence and the injections it created as Criminals. They are calling Members of the General Public conspiracy theorists, crazy-anti-vaxxers and domestic terrorists while they attempt to censor and cover up the Truth about the **Crimes Against HuManity (C.A.H.)** that is being caused by their very own Negligence.

The **Royal Canadian Mounted Police (R.C.M.P)** and **Royal Canadian Military** are trained in “Pain Compliance Techniques” and are being used against Members of the General Public who do not willingly “comply”, FORCING them to close their Private Businesses, stay away from Friends and Family, wear Masks that may contain harmful Graphene Oxide Particles, take invasive Medical Tests that do not work and are Known to contain harmful substances and restrict their movement and Freedom to Travel by locking down entire Countries, Provinces [States] and Cities due to an [apparent] virus that has a 99.97% survival and recovery rate.

Those who do not submit to the UnLawful demands of an **R.C.M.P** Member or in Agreement with the Crown CORPORATION are often Physically assaulted, held against their will (“arrested”), then fined large sums of money for their “non-compliance” and sometimes held for indefinite periods of time in a Jail Cell.

Our Public Courts are Courts of Commerce (a FOR PROFIT Business). Our Natural Rights and Freedoms as HuMans are treated as government Property which we are FORCED to ask for permission, and pay a Financial Fee to “use” (user Fee).

Judges DEMAND that we rise when they enter a room, sit after they’ve been seated and call them “my lord”, or “master”, which are both “titles” one FORCEFULLY insists another to call them when they consider the other to be their slave. WoMen and Men, (“Members of the General Public”) engaged in a Public Court without PAID “legal counsel” are treated as artificial “PEOPLE” without Rights or Freedoms. The Natural Rights and Freedoms of HuManity are considered to be “privileges to be PAID for”.

Members of the General Public are considered to be Civil "subjects" (Property) of the Crown. By legal standards of rules and policies, any WoMan or Man in a Public Court of Commerce attempting to assert their Natural Rights and Freedoms must be **RE**-Presented by a Member of the **British Accredited Registry** (A Member of the Crown), Known as **Lawyer**, or "Professional Legal Aide", otherwise a Judge will not listen to, or hear their Voice of Testimony, nor will they review or accept any material Evidence they may have.

Lawyers are Educated to follow the rules, statues, acts, policies and mandates of the Crown CORPORATION (British Monarchy / "king") of whom THEY serve. They do so without care or consideration for the Truth or acKnowledgement of Natural **L.A.W**, or that of which is Lawful and Just and so long as they follow the CORPORATE structure they will become a Judge (a "ruler") in the seat of the "kings' bench".

Artificial Intelligence is now being used in Public Courts of Commerce to draft AFFIDAVITS and make legal decisions based on Case Law (previous decisions of Judges) and the live recordings of Hearings and Trials.

The Public Courts are not allowing Trials by Jury or Members of the General Public to attend Trials involving their Peers. Star Chambers are becoming the "new 'normal'" where the accused is not allowed to speak, or be heard, and are given a Judgment from what used to be a single WoMan, or Man, sitting on the bench but has now become the Judgement of artificial Intelligence. **Lawyers** are present but their soul purpose is to protect the Financial Profits and interest of the Crown (British Monarchy / "king").

It should be Publicly Noted that government Employees have "exempted" themselves from the very Laws (rules, acts, policies, mandates and statutes) that they demand we follow. No matter how harmful their actions are, they consider themselves to have no Financial, legal or Lawful accountability for the harm that is caused through their government Tax-payer funded "Employment".

Politicians, Mayors, Councilors, School Administrators, Judges, **Lawyers** and those who have assumed authority over ManKind all have Financial STOCKS in artificial Intelligence systems and Technologies including CORPORATIONS such as Pfizer, Moderna and AstraZeneca which are Public Companies holding contracts with artificial Intelligence and the Military to create and distribute the injections.

These CORPORATIONS, including the advancement of artificial Intelligence, are funded directly from the money that is taken (stolen) from the General Public as a "Tax". Public "Employees" and agents of government are earning millions of dollars in Publicly Traded Stocks while they take our Privately earned money (Tax) to pay for their "professional" salaries in return for their unAgreed upon "services".

Every Member of the "General Public" within CANADA pays well over 50% of their "income" (Privately earned money) to the Crown CORPORATION as "Taxation for services". Over 90% of our total Taxes are given to the Federal government who then divide the funds in order of;

- i. the expansion of artificial Intelligence systems, the Military Industrial Complex, the **Royal Canadian Mounted Police (R.C.M.P)**, government Employee salaries, medical care, Public Education and the Publicly Traded Companies (CORPORATIONS) which supply the materials and resources for government programs.

The remaining 10% or less of our Tax dollars are then given back to Local Municipalities to pay for the Essential Services that we directly receive such as fire, water, sewage, garbage, recycling and recreation.

Conclusion :

By the very definition of CANADIAN Criminal Laws, EACH and EVERY WoMan and Man who is currently "Employed" by, and working for, the "Crown CORPORATION " as agents of government are committing Criminal Acts of Racketeering. Extortion, Fraud, Theft, and Genocide as they FORCEFULLY take Privately earned dollars (money) through the guise of "Taxes" to Fund wars, the advancement of artificial Intelligence, the expansion of wireless Techonlgies, Aerial Chemical Spraying and the Manipulation of Bio-Logical matter in Plants, Animals and HuMans.

Therefore, it can only be concluded that EACH and EVERY WoMan and Man who is currently Employed by and working for government is Criminally Negligent and partaking in major Crimes Against HuManity (C.A.H.) as they are ignorant to the actual Facts and Physical Evidence that has been Presented to them regarding the harmful effects of artificial Intelligence and wireless systems and Technologies.

In Response :

The WoMen and Men gathered here today, acknowledge and speak evident to the harms "governments" and those "Employed" by and working for as agents of all around the world are causing the WoMen, Men and Children they Claim to serve.

We are asserting our Natural Right to decline any further Trespass upon ourselves and the Land, Air and Water we all depend upon to support Life on Earth and placing the best interests of HuManity OVER and ABOVE "government" and artificial Intelligence. We are RE-Establishing HuMan to HuMan in-Person connections where all decisions will be made without the interference or "assistance" of artificial Intelligence or "government" Employees and agents of.

We reserve the LEGAL Right to seek Financial Remedy from any WoMan, Man, government "Employee" or agent of government who continues to Trespass upon ourselves, our Children or the Land, Air and Water we all share AND; we further assert our Lawful Right to Establish a Sovereign Court where THEY (government "Employees" and agents of) will be held Accountable for THEIR actions.

As a Collective within the North Okanagan-Shuswap region of British Columbia CANADA, we are taking the initial steps and introducing a Tax FREE-System that provides Agreeing Members with a Sovereign Court that is FREE from Financial Fees or Charges, Community Sheriffs & Public Service Auditors, Supporting Peer Assistance with Public Court of Commerce Actions, Low-cost Organic Foods, Localized Education and Alternative-Holistic Health Care Services.

By Declaration, WE, the undersigned WoMen and Men, hereby declare NO CONFIDENCE in any WoMan or Man who claims to be "king" or queen" of HuManity, the British Monarchy, the "Crown", the Crown CORPORATION of CANADA, the "Employees" who work for or are agents of worldwide government, CORPORATIONS, artificial Intelligence systems, programs or robots.

We hereby assert our Natural Right to Co-Create a New Societal System, by way of Natural L.A.W, Known as the Co-Heart Community, a System based on absolute Truth, Honesty and the Conscious Morals of HuManity.
