Good Day SHAWNA,

Last night i was instructed to appear in Person for a Hearing regarding my UnLawful arrest on February 26th, 2021. When i entered the Vernon Courthouse i was met by 5 aggressive R.C.M.P Members who instantly tried giving me UnLawful Orders.

The 5 R.C.M.P. Members caused a scene and started to escalate the situation that they initiated. All Members present were displaying unprofessional behaviour. If i did not have a witness with me i guarantee your Members would have Physically assaulted me once again.

Due to their conduct and behaviour last night i was denied the Right to a Fair and Timely Trial before an impartial Judge. i have indisputable Evidence that your Members have been engaging in racketeering and extortion with a video proving CST. SHAUN MIRANDA arbitrailty detained and arrested myself and proceeded to break my iPad by throwing my Property on the ground on the 26th of February, 2021.

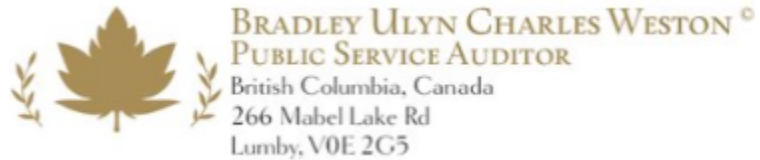

Today i am delivering to the Vernon R.C.M.P Detachment, the white binder that i had prepared for my Trial last night, along with the video evidence of my UnLawful arrest that i am sending via Email through the WeTransfer app . In the binder under tab 11 you will find the Order of the Provincial Health Officer, i took the liberty of highlighting the relative section that says a WoMan or Man may enter the Public Courthouse without a Mask.

Enclosed you will find the latest Bill from my Office.

Love for ALL,

i, a Man,  
responding to the Name,  
Brad Weston

Good Day,,

Last night i was instructed to appear in Person for a Hearing regarding my UnLawful arrest on February 26th, 2021. When i entered the Vernon Courthouse i was met by 5 aggressive R.C.M.P Members who instantly tried giving me UnLawful Orders and attempted to remove me from the Courthouse before seeing the Justice of the Peace..

The 5 R.C.M.P. Members caused a scene and started to escalate the situation that they initiated. All Members present were displaying unprofessional behaviour. If i did not have a witness with me i guarantee those R.C.M.P Members would have Physically assaulted me once again.

Due to their conduct and behaviour, including that of the presiding Justice of the Peace, i was once again denied the Right to a Fair and Timely Trial before an impartial Judge. i have indisputable Evidence that the R.C.M.P Members involved and Judges of the Courthouse have been engaging in racketeering and extortion with a video proving CST. SHAUN MIRANDA arbritraily detained and arrested myself and proceeded to break my iPad by throwing my Property on the ground on the 26th of February, 2021.

Today i am delivering to the Vernon Courthouse, the white binder that i had prepared for my Trial last night, along with the video evidence of my UnLawful arrest that i am providing on a Patriot XT 8GB USB Drive. In the binder under tab 11 you will find the Order of the Provincial Health Officer. i took the liberty of highlighting the relative section that says a WoMan or Man may enter the Public Courthouse without a Mask.

Responding to the UnLawful treatment and constant Harm with consideration to the threats that are being placed upon myself by the Public Servants working at the Vernon Courthouse and Vernon R.C.M.P Detachment i am respectfully asking that all my Property and materials be returned to me immediately via COURIER service by delivering all Court files, Documents and binders including, but not limited to:

1. My Dad, Howard George Weston's Last Will and Testament that was handed in as evidence during our Trial held before Judge D.A. Betton on January 9, 2020 British Columbia Supreme Court File No. 52677.
2. All evidence, binders and materials relating to British Columbia Supreme Court File No. 52677.
3. All evidence, binders and materials relating to British Columbia Supreme Court File No. Petition to the Court.
4. All evidence, binders and materials relating to Small Claim of British Columbia File No: 51482
5. All evidence, binders and materials relating to Small Claim of British Columbia File No: 51483.
6. All evidence, binders and materials relating to Provincial Court of British Columbia Family File No: 52504

7. Any and all evidence, binders, materials and property that we submitted by myself to the Vernon Court Registry.

to my mailing address, 266 Mable Lake Road, Lumby, British Columbia, V0E 2G5.

**Take Notice : i am removing all my materials and personal records in relation to Court matters that involve myself from the Vernon Courthouse because i am being denied Lawful - Professional Service by the Employees of, and i am constantly denied the Right to Fair and Timely Trials before an impartial Judge which is costing my Family and i immense Financial Harm and Damages.**

**The UnLawful actions of the Courthouse Staff, Sheriffs, R.C.M.P and Judges appears to be intentional as all Employees continue to i-GNORE the Ministerial and Public Health Orders which clearly state, Exemptions to the Mask Mandate applies while inside a COURTROOM.**

Love for ALL,
